

Corporate Profile

We are an international high technology company engaged in a wide range of programs throughout the world. We develop and supply a broad portfolio of airborne, land and naval systems and products for defense, homeland security and commercial aviation applications. Our systems and products are installed on new platforms, and we also perform comprehensive platform modernization programs. In addition, we provide a range of support services.

Our major activities include:

- military aircraft and helicopter systems;
- helmet mounted systems; ...
