

Elbit Systems Awarded Contracts Worth \$136 Million to Supply Laser DIRCM Systems to Countries in Asia-Pacific

February 10, 2020

HAIFA, Israel, Feb. 10, 2020 /PRNewswire/ -- [Elbit Systems Ltd.](#) (NASDAQ: ESLT) (TASE: ESLT) ("Elbit Systems" or "the Company") announced today that it was awarded contracts worth approximately \$136 million to provide customers in Asia-Pacific with airborne laser Direct Infra-Red Counter Measure (DIRCM) systems. The contracts will be performed over a four-year period.

Under the contracts, Elbit Systems will equip fleets of Airbus and Boeing aircraft with DIRCM systems from the MUSIC™ family, including the Company's infra-red missile warning systems. These contract awards follow recent awards to install DIRCM systems onboard Airbus A400 aircraft of the German Air Force and onboard NATO's Airbus A330 Multinational Multi-Role Tanker Transport (MRTT) fleet.

Elad Aharonson, Executive Vice President and General Manager of Elbit Systems ISTAR Division, commented: "I believe that the recent string of contract awards, by a range of customers, to provide our mature DIRCM systems is a strong testament to the leading position we hold in this area."

About Elbit Systems

Elbit Systems Ltd. is an international high technology company engaged in a wide range of defense, homeland security and commercial programs throughout the world. The Company, which includes Elbit Systems and its subsidiaries, operates in the areas of aerospace, land, and naval systems, command, control, communications, computers, intelligence surveillance and reconnaissance ("C4ISR"), unmanned aircraft systems, advanced electro-optics, electro-optic space systems, EW suites, signal intelligence systems, data links and communications systems, radios and cyber-based systems and munitions. The Company also focuses on the upgrading of existing platforms, developing new technologies for defense, homeland security and commercial applications and providing a range of support services, including training and simulation systems.

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward-looking statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
