## **Elbit Systems Reports Impact on its Fourth Quarter 2019 Financial Results Due to Acquisition of Harris Night Vision**

**Haifa, Israel, February 6, 2020** – [Elbit Systems Ltd.](#) (NASDAQ: ESLT, TASE: ESLT) (“Elbit Systems” or the “Company”) announced today the completion of its review of certain expenses and expected synergies resulting from the acquisition by its subsidiary, Elbit Systems of America LLC, of the Night Vision business of L3Harris Technologies (NYSE:LHX) (“Harris Night Vision”). The Company expects to record in the fourth quarter of 2019 expenses relating to the acquisition estimated in the amount of approximately \$55 million. These expenses will be recorded mainly in the “Cost of Revenues” line item in the Consolidated Statement of Income and will be eliminated in the Non-GAAP results due to the non-recurring nature of the expense. The overall impact of these expenses on the financial results for the fourth quarter of 2019 will be included in the Company’s report for the quarter, which is planned to be released in March 2020.

The incorporation of the advanced technologies of Harris Night Vision in various Elbit Systems’ business lines is expected to produce synergies that will enhance the Company’s ability to address various market requirements and customer support activities. The Company believes that the acquisition of Harris Night Vision will positively affect the future business of Elbit Systems.
