Elbit Systems Announces Resignation of its External Director, Moshe Kaplinsky

Haifa, Israel, June 17, 2020 – Elbit Systems Ltd. (NASDAQ: ESLT and TASE: ESLT) ("Elbit Systems" or the "Company") announced today that Mr. Moshe Kaplinsky, who was elected as an External Director of the Company's Board of Directors in March 2020, has tendered his resignation to the Company. Mr. Kaplinsky indicated that the reason for his resignation was as a matter of caution to avoid any potential conflict of interests due to his recent nomination as the CEO of Oil Refineries Ltd. (Bazan). The Company has accepted Mr. Kaplinsky's resignation and thanked him for his contribution during his tenure. The Company has provided Nasdaq with a notice that it would be temporarily out of compliance with Nasdaq Listing Rule 5605(b)(1) requiring that Independent Directors constitute a majority of the Company's Board. The Company will promptly proceed with the process of identifying a suitable candidate for election as an External Director and convening a shareholders meeting for his or her election, within the periods set forth in the Companies Law and Nasdaq Listing Rules.

This press release may contain forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934, as amended and the Israeli Securities Law, 1968) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current facts. Forward-looking statements are based on management's current expectations, estimates, projections and assumptions about future events. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions about the Company, which are difficult to predict, including projections of the Company's future financial results, its anticipated growth strategies and anticipated trends in its business. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; changes in global health and macro-economic conditions; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; changes in the competitive environment; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. Although the Company believes the expectations reflected in the forward-looking statements contained herein are reasonable, it cannot guarantee future results, level of activity, performance or achievements. Moreover, neither the Company nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. The Company does not undertake to update its forward-looking statements.
