PROXY STATEMENT

This Proxy Statement is provided to the holders of ordinary shares, nominal value 1.00 New Israeli Shekel (“NIS”) per share (the “Shares”), of Elbit Systems Ltd. (the “Company”), in connection with the solicitation by the Company’s Board of Directors (the “Board”) of proxies for use at the Company’s Extraordinary and Annual General Meeting of Shareholders to be held at the Company’s offices at the Advanced Technology Center, Haifa, Israel, on December 2, 2020 at 2:00 p.m., Israel time (the “Meeting”), or at any adjournment or postponement of the Meeting, as specified in the accompanying Notice of the Company’s Extraordinary and Annual General Meeting of Shareholders.

It is proposed that at the Meeting the shareholders adopt resolutions for the following purposes (each referred to as a “Proposal” and, collectively, as the “Proposals”):

1. to re-elect to the Board the following seven members (“Directors”) who are not “External Directors” as defined in the Israeli Companies Law 5759-1999 (the “Companies Law”), to serve until the close of the next Annual General Meeting of Shareholders: Mr. Michael Federmann, Mrs. Rina Baum, Mr. Yoram Ben-Zeev, Mr. David Federmann, Mr. Dov Ninveh, Prof. Ehood (Udi) Nisan and Prof. Yuli Tamir;
2. to approve the extension of the indemnification letters of Mr. M. Federmann and Mr. D. Federmann, for an additional three years commencing on December 1, 2020; and
3. to re-appoint Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as the Company’s independent auditor for the fiscal year 2020 and until the close of the next Annual General Meeting of Shareholders.

In addition, at the Meeting the Company will report on or discuss certain additional matters as noted below under “ADDITIONAL MATTERS TO BE REPORTED ON OR DISCUSSED.”

Shares represented by properly signed and unrevoked proxies will be voted in the manner directed by the persons designated as proxies.

QUORUM AND VOTING REQUIREMENTS

Only shareholders of record at the close of business on November 2, 2020 (the “Record Date”) have the right to receive notice of, and to vote at, the Meeting, and any adjournments or postponements of the Meeting. Mailing of this Proxy Statement and the accompanying materials will be made on or about November 2, 2020. Shareholders who, at the close of business on the Record Date, hold Shares through a bank, broker or other holder of record that itself is a Company shareholder or who appear on a participant list of a securities depository with respect to Shares, are considered to be beneficial owners of Shares held in “street name.”

On October 22, 2020, the Company had forty-four million one hundred ninety-eight thousand three hundred and thirty (44,198,330) Shares outstanding, each giving a right of one vote with respect to each Proposal.

The Meeting will be properly convened with a quorum if at least two (2) shareholders are present in person, by proxy or by a voting instrument, holding or representing, in the aggregate, at least one-third (1/3) of the issued voting Shares. If a quorum is not present within one-half (1/2) hour after the time set for the Meeting, the Meeting will be adjourned and will be reconvened one (1) week later at the same time and place unless other notice is given to the shareholders by the Board. If at such adjourned meeting a quorum is not present within one-half (1/2) hour of the time for the adjourned meeting, then any two (2) shareholders who together represent at least ten percent (10%) of the Shareholders’ voting power, present in person, by proxy or by a voting instrument, will be considered a quorum.

Joint holders of Shares should note that, according to the Company’s Articles of Association, the vote, whether in person, by proxy or by a voting instrument, of the senior of the joint holders of any voted Share will be accepted over any vote(s) of the other joint holders of that Share. For this purpose, seniority will be determined by the order in which the joint holders’ names appear in the Company’s Register of Shareholders.

The approval of each of Proposals 1 and 3, requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on such Proposals.

The approval of Proposal 2, requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on the Proposal, provided that either: (i) such majority includes at least a majority of the Shares voted at the Meeting by shareholders who are not Controlling Shareholders (as defined below) and do not have a Personal Interest (as defined below) in the approval of the Proposal, disregarding abstentions; or (ii) the total number of Shares voted against the approval of the Proposal by shareholders referred to in subsection (i) does not exceed two percent (2%) of the total voting rights in the Company.

Under the Companies Law, "Personal Interest" means a shareholder's personal interest in an act or a transaction of a company, including the personal interest of his or her Relatives (as defined below) or of an entity in which such shareholder or his or her Relative is an Interested Party (as defined below). Personal Interest excludes a personal interest arising solely from holding a company's shares and includes a Personal Interest of any person voting pursuant to a proxy provided to him or her by another person with respect to the proposal, even if the person providing the proxy does not have a Personal Interest. The vote of a person who is voting by a proxy provided to him or her on behalf of another who has a Personal Interest will also be seen as a vote of a person with a Personal Interest, whether the discretion to vote is in the hands of the voter or not.

"Relative" means a person's spouse, brother or sister, parent, grandparent, descendant, such persons spouse's descendant, brother, sister or parent, or the spouse of any of the above.

"Interested Party" means any person that either:

- (a) holds five percent (5%) or more of an entity's issued share capital or voting rights;
- (b) has the right to appoint a director to an entity's board of directors or the chief executive officer thereof; or
- (c) is a member of an entity's board of directors or serves as the chief executive officer thereof.

"Controlling Shareholder" means, for purposes of Proposal 2, any shareholder who has the ability to direct the Company's activity, including any shareholder holding 50% or more of the "means of control" of the Company. "Means of control" is defined under Israeli law as any one of the following: (i) the right to vote at a general meeting of the Company, or (ii) the right to appoint directors of the Company or its chief executive officer.

In connection with the above and for the purpose of Proposal 2 described in this Proxy Statement, each shareholder who attends the Meeting in person, by proxy or by a voting instrument will advise the Company or indicate in the proxy card or the voting instrument, as the case may be, whether or not that shareholder is a Controlling Shareholder or has a Personal Interest in the approval of Proposal 2. Failure to advise or indicate as described above will require the Company to assume that such shareholder has a Personal Interest in the approval of Proposal 2, and disqualify such shareholder's vote on Proposal 2. The Company may not assume that a shareholder who signs and returns a proxy card without a specific indication as to the lack of Personal Interest of such shareholder, has no Personal Interest with respect to Proposal 2.

VOTING BY PROXY AND ELECTRONIC VOTING

Shareholders may vote their Shares by attending the Meeting and voting their Shares in person, by completing the enclosed proxy card or (as applicable) a voting instruction form, or by casting an electronic vote, as described below.

A form of proxy card for use at the Meeting and a return envelope for the proxy card are enclosed. By appointing a "proxy" or, with respect to "street name" beneficial owners, by returning a properly completed voting instruction form, shareholders may have their Shares voted at the Meeting whether or not they attend. If a properly executed proxy card in the attached form is received by the Company at least four (4) hours prior to the Meeting, the Shares represented by the proxy will be voted in the manner directed by the persons designated as proxies. "Street name" beneficial owners of Shares should return their voting instruction form by the date and time set forth therein.

Shareholders who hold their Shares in "street name," may either direct the record holder of their Shares how to vote their Shares (by completing a voting instruction form as described above), or obtain a legal proxy from the record holder to vote at the Meeting on behalf of the record holder together with proof of such record holder's Share ownership on the Record Date. Shareholders who hold their Shares through a member of the Tel Aviv Stock Exchange (the "TASE") and intend to vote their Shares at the Meeting in person or by proxy must deliver to the Company, via messenger or registered mail, proof of ownership issued by the applicable bank or broker, confirming their ownership of the Shares as of the Record Date, prepared in accordance with the requirements of the Israeli Companies Regulations (Proof of Ownership of Shares for Voting at General Meetings), 5760-2000.

Shareholders are requested to complete, date and sign the enclosed proxy card or (as applicable) the voting instruction form, and return them promptly. Even if you plan to attend the Meeting, we recommend that you also submit your proxy card or voting instruction form as described in this Proxy Statement so that your vote will be counted if you later decide not to attend the Meeting.

If you provide specific instructions (by marking a box on the proxy card) with regard to a Proposal, your Shares will be voted as you instruct. Unless otherwise indicated on the proxy card or in the electronic vote, and to the extent permitted by law and applicable stock exchange requirements, Shares represented by a properly signed and received proxy card in the enclosed form or in an electronic form will be voted in favor of the Proposals. Abstentions will not be treated as either a vote "for" or "against" a Proposal, although they will be counted to determine if a quorum is present. Thus, if you sign and return your proxy card (or complete your electronic vote) without giving specific instructions with respect to a Proposal, your Shares will be voted in favor of such Proposal.

If you are a "street name" holder and you sign and return your voting instruction form without giving specific instructions with respect to a Proposal, your broker will not be permitted to vote your Shares with respect to such Proposal (commonly referred to as a "broker non-vote"). In such circumstances, your Shares will be included in determining the presence of a quorum at the Meeting but will not be considered "present" for the purpose of voting on such Proposal. Such Shares have no impact on the outcome of the voting on such Proposal.

If you sign and return your proxy card or voting instruction form, the persons named as proxies will vote in their discretion on any matters other than the Proposals that may properly come before the Meeting.

The Israel Securities Authority ("ISA") has set up an electronic voting system for shareholders meetings of Israeli companies whose shares are listed on the TASE via its online platform. Shareholders are able to vote their Shares through the system, following a registration process, no later than six (6) hours before the Meeting.

Shareholders may revoke any proxy card or electronic vote prior to their exercise by filing with the Company a written notice of revocation or a properly signed proxy card of a later date (if received by the Company at least four (4) hours prior to the Meeting), or by voting through the electronic voting system on a later date (if done at least six (6) hours prior to the Meeting), or by voting in person at the Meeting. If you hold your Shares in "street name," you may change your voting instructions by following the directions provided to you by your broker, bank or other nominee.

Solicitation of proxies will be made primarily by mail; however, in some cases proxies may be solicited by telephone or other personal contact. The Company will pay for the cost of the solicitation of proxies, including the cost of preparing, assembling and mailing the proxy materials, and will reimburse the reasonable expenses of brokerage firms and others for forwarding proxy materials to shareholders.

This Proxy Statement and the accompanying proxy card also constitute a "voting deed" (Ktav Hatzba'a) for the purpose of Regulation 3(c) of the Israeli Companies Regulations (Concessions for Companies Whose Shares are Listed on a Stock Exchange Outside of Israel), 5760-2000 (the "Concessions Regulations").

POSITION STATEMENTS

Shareholders are permitted to express their position on the Proposals by submitting a written statement (a "Position Statement"), through the Company, to the other shareholders. Position Statements should be submitted to the Company at its registered offices, at Elbit Systems Ltd., Advanced Technology Center, Haifa, 3100401 Israel, to the attention of Mrs. Adi Pinchas Confino, Corporate Secretary, no later than the close of business on November 23, 2020. Reasonable costs incurred by the Company in dealing with a Position Statement will be borne by the submitting shareholder.

Currently, the Company is not aware of any other matters that will come before the Meeting. If any other matters properly come before the Meeting, the persons designated as proxies in the proxy card intend to vote in accordance with their best judgment on such matters. One or more shareholders holding at least one percent (1%) of the Company's total voting rights may present proposals for consideration at the Meeting by submitting their proposals to the Company at its registered offices, at Elbit Systems Ltd., Advanced Technology Center, Haifa, 3100401 Israel, to the attention of Mrs. Adi Pinchas Confino, Corporate Secretary, no later than the close of business on November 4, 2020. If the Company determines that a shareholder's proposal is appropriate for inclusion in the Meeting agenda, a revised agenda will be published by the Company.

**BENEFICIAL OWNERSHIP OF SECURITIES
BY CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table shows, as of October 22, 2020, to the best of the Company's knowledge, the number of Shares⁽¹⁾ owned by (i) all shareholders known by the Company to own 5% or more of the Company's Shares and (ii) all directors and executive officers of the Company as a group. Ordinary shares that a person has the right to acquire within 60 days of October 22, 2020 through exercise of options under the Plan (as defined below), are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all executive officers and board members as a group.

Name of Shareholder	Number of Shares Beneficially Owned	Percentage of Ownership
Federmann Enterprises Ltd. 99 Hayarkon Street Tel-Aviv, Israel	19,580,342 ⁽²⁾	44.3%
All executive officers and directors as a group (24 persons)	343,932 ⁽³⁾	0.77% ⁽³⁾

- (1) Based on forty-four million one hundred ninety eight thousand three hundred and thirty (44,198,330) Shares outstanding as of October 22, 2020.
- (2) Includes 3,836,458 Shares held by Heris Aktiengesellschaft (Heris). Heris is owned, directly and indirectly, by Federmann Enterprises Ltd. (FEL). FEL is controlled by Beit Federmann Ltd. (BFL). BFL is controlled by Beit Bella Ltd. (BBL) and Beit Yekutiel Ltd. (BYL). Michael Federmann is the controlling shareholder of BBL and BYL. He is also the chair of Elbit Systems' Board and the chair of the board and the chief executive officer of FEL. Therefore, Mr. Federmann controls, directly and indirectly, the vote of Shares owned by Heris and FEL. In connection with FEL's purchase of Shares in 2004 and 2006, FEL obtained loans from two Israeli banks. As security for the loans, an aggregate of 3,000,000 of Shares are pledged by FEL to the banks.
- (3) The amount does not include any Shares that may be deemed to be beneficially owned by Michael Federmann as described in footnote (2) above. In addition, the number of Shares beneficially owned reflects outstanding options that were granted to certain executive officers under the Company's 2018 Equity Incentive Plan for Executive Officers (the "Plan"). The Plan includes a mandatory "Net Exercise Mechanism" (as such term is defined in the Plan). Due to the Net Exercise Mechanism, the number of Shares that will actually be owned following the exercise of the options by the executive officers cannot be determined at this point and will be lower than the number of options granted under the Plan.

DIRECTOR INDEPENDENCE CRITERIA; CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

Under the Nasdaq Marketplace Rules (“Nasdaq Rules”) that are applicable to the Company, a majority of the members of the Board as well as all of the members of the Audit Committee of the Board (the “Audit Committee”) must meet certain independence criteria. In addition, in accordance with Nasdaq Rules, the Corporate Governance and Nominating Committee of the Board (the “Corporate Governance and Nominating Committee”), consisting in its entirety of Directors meeting the independence criteria for directors as defined by the Nasdaq Rules, among other functions, makes recommendations to the Board of qualified candidates for election or appointment to the Board.

The Corporate Governance and Nominating Committee and the Board as a whole have determined that three of the nominees for election as members of Board (Mr. Yoram Ben-Zeev, Prof. Ehood (Udi) Nisan and Prof. Yuli Tamir) and both External Directors, Mr. Noaz Bar Nir and Mrs. Bilha (Billy) Shapira, meet the board of directors’ independence criteria under the applicable Nasdaq Rules for independent directors and audit committee members.

In addition, in accordance with the Companies Law, a majority of the members of the Audit Committee must qualify as “Independent Directors,” under the Companies Law, and the Audit Committee must also include all “External Directors” of the Company, one of whom must serve as Chair of the committee, in accordance with the criteria of the Companies Law.

The Audit Committee and the Board as a whole have determined that Mr. Ben-Zeev, Prof. Nisan and Prof. Tamir, meet the criteria of an “Independent Director” under the Companies Law and that the External Directors Mr. Bar Nir and Mrs. Shapira meet the independence criteria for External Directors under the Companies Law.

PROPOSAL 1 – RE-ELECTION OF DIRECTORS UNTIL THE CLOSE OF THE NEXT ANNUAL GENERAL MEETING OF SHAREHOLDERS

At the Meeting, the following seven individuals, who are not External Directors, are nominated to be elected to the Board: Mr. Michael Federmann, Mrs. Rina Baum, Mr. Yoram Ben-Zeev, Mr. David Federmann, Mr. Dov Ninveh, Prof. Ehood (Udi) Nisan and Prof. Yuli Tamir. Also, if elected to another term as a Director, Michael Federmann will continue to serve as Chair of the Board.

The Companies Law requires that a person will not be elected and will not serve as a director in a public company if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her director position in the company, taking into consideration, among other factors, the specific needs and size of the company.

A general shareholders meeting of a company whose shares are publicly traded, at which the appointment of a director is to be considered, will not be convened unless the person nominated to be so appointed has declared to the company that he or she complies with the above-mentioned requirements and details of his or her applicable qualifications are provided and, in case such nominee is to be an External Director, such nominee has also declared that he or she complies with the applicable independence criteria under the Companies Law.

Each of the proposed nominees, Mr. M. Federmann, Mrs. Baum, Mr. Ben-Zeev, Mr. D. Federmann, Mr. Ninveh, Prof. Nisan and Prof. Tamir, has declared to the Company that he or she complies with the required qualifications under the Companies Law for appointment as a member of the Board, detailing his or her applicable qualifications, and that he or she is capable of dedicating the appropriate amount of time for the performance of his or her role as a member of the Board, taking into consideration, among other factors, the specific needs and size of the Elbit Systems Ltd. In addition, Mr. Ben-Zeev, Prof. Nisan and Prof. Tamir each has also declared that he or she complies with the criteria of an Independent Director under the Companies Law.

As mentioned above under “DIRECTOR INDEPENDENCE CRITERIA; CORPORATE GOVERNANCE AND NOMINATING COMMITTEE”, three of these nominees (Mr. Ben-Zeev, Prof. Nisan and Prof. Tamir) meet the board of directors’ independence criteria under the applicable Nasdaq Rules as well as the criteria of an Independent Director under the Companies Law.

Mr. Noaz Bar Nir and Mrs. Bilha (Billy) Shapira, who are not standing for election, will continue to serve as External Directors until August 20, 2023 and November 20, 2022, respectively. As mentioned above under “DIRECTOR INDEPENDENCE CRITERIA; CORPORATE GOVERNANCE AND NOMINATING COMMITTEE”, each of Mr. Bar Nir and Mrs. Shapira meets the board of directors’ independence criteria under the applicable Nasdaq Rules and also qualifies as “External Director” in accordance with the criteria of the Companies Law.

The Corporate Governance and Nominating Committee has recommended to the Board that each of the above-named nominees be nominated for election to the Board.

The Board has approved the recommendation of the Corporate Governance and Nominating Committee with respect to the above list of nominees.

Each nominee so elected as a Director will hold office until the close of the next Annual General Meeting of Shareholders and until his or her successor is elected and qualified, unless any Director’s office is vacated earlier in accordance with the provisions of the Companies Law and the Company’s Articles of Association.

**PROPOSAL 2 – EXTENDING THE INDEMNIFICATION LETTERS OF MR. M. FEDERMANN AND
MR. D. FEDERMANN BY AN ADDITIONAL THREE YEARS**

In November 2017, the shareholders of the Company approved the extension of indemnification letters to Mr. Michael Federmann, who may be considered a direct or indirect controlling shareholder of the Company, and to his son, Mr. David Federmann (the “Indemnification Letters”). The Indemnification Letters consist of the same terms and scope as the indemnification letters approved by the Company’s shareholders in November 2011 for granting to directors of the Company as nominated from time to time.

The Indemnification Letters contain the Company’s undertaking, subject to any applicable law and the Company’s Articles of Association, to indemnify Messers Federmann for certain liabilities and expenses incurred by them due to their roles in the Company, its subsidiaries or its affiliates, up to an aggregate indemnification amount for all office holders, of 25% of the Company’s equity, based on the Company’s most recent annual financial statements on a consolidated basis. The Indemnification Letters are subject to standard exceptions, procedures, and qualifications.

According to the Companies Law, the grant of an indemnification letter to a director that may be considered as a direct or indirect controlling shareholder of that company, or his or her relative, requires re-approval every three years by the company’s compensation committee, board of directors and shareholders.

In meetings held on October 25, 2020, the Compensation Committee and the Board approved the extension of the Indemnification Letters of Mr. Michael Federmann and Mr. David Federmann, on the basis that (i) indemnification letters are in the best interests of the Company, as they generally assist the Company to attract and maintain qualified directors, (ii) the granting of such letters to directors is a common practice, and (iii) the terms and conditions of the Indemnification Letters are identical to the terms of the indemnification letters provided to all other directors of the Company.

At the Meeting, the Board will propose that the following resolution be adopted:

“RESOLVED, that the extension of the Indemnification Letters to Mr. M. Federmann and Mr. D. Federmann for an additional three years commencing on December 1, 2020, be approved.”

The Board of Directors recommends that you vote FOR approval of this resolution.
